| Date of Submission  | 23-Jan-2020  |
| 7. Does the Institution have Management nformation System ?   | Yes  |
| yes, give a brief descripiton and a list of modules urrently operational (maximum 500 words)                        | MIS process is already initiated by the<br>college. College has enlightened every<br>staff about the MIS. Computers are<br>regularly updated and well maintained |

Biometrics. Permanent staff salary is generated through HRMS. To increase the paperless administration, Principal convene staff meeting, communicating through SMS, WhatsApp and email procedures. Every staff is instructed to consider the messages circulated through SMS, WhatsApp or Email with regard to conduct of meeting, need to be consider as genuine communication by Principal. College also has installed a software which support for keeping track record of the admission, generate fee receipts, Management staff salary, etc. Final internal marks and external marks are uploaded on university portal. Students details are uploaded for facilitating scholarships from State and Central Government Schemes. The Department of Physics installed a software for maintaining inventory of stock. The software generate the report about dead stock, inventory, cost of equipment, etc. Similarly, every activities of the college is made available on college website from time to time.

## Part B

## **CRITERION I – CURRICULAR ASPECTS**

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

College has well planned documentations with regard to curriculum delivery. The college has necessary provisions to facilitate and provide necessary financial support for augmentation of infrastructural facilities and learning resources from time to time which are essentially required for smooth flow of teaching learning processes. The University prepares an academic calendar which specifies the duration of the semester, the date of commencement and closure of semesters. Prior to the commencement of academic sessions, an action plan is prepared by the IQAC alongwith teaching staff under the chairmanship of Principal. In addition to the comprehensive time table, college also prepares separate time table for Arts, Commerce, Science. The same is made available on college website, college Notice Board and Staff room. During the staff meeting Principal collects the suggestions and recommendations from every faculty members with regard to facilities which are required for effective flow of cocurricular, extracurricular activities during the year. This has enabled the institution to prepare overall budgetary allocation. Principal prepares budgetary provisions and proceeds the same to the Management for getting further approval and sanction. College has motivated every teacher to update themselves to deliver lectures using ICT in addition to conventional mode of teaching. Accordingly, some of the teachers engage classes using ICT and also prepare e-learning sources and publishes them on college website. College has provided well bandwidth internet connectivity, well equipped computer laboratory, upgraded science laboratories. During the first week of the

commencement of academic sessions, every department arrange Departmental meeting conducting to discuss and finalise the allocation of subjects, preparation of departmental time table, teaching plan from each faculty members. Every faculty member instructed to submit the teaching plan to the Principal at the commencement of academic sessions. Principal and IQAC monitors the portion of syllabus completed as per the teaching plans of each department at the first week of subsequent month of the semester. Some of the Departments i.e. Botany, Zoology, Physics, History, Chemistry do guide students for the preparation of Micro Projects as per the prescribed syllabus. Some of the departments do conduct study tours, field visits, enrichment programmes. College has taken utmost care about the effective delivery of course curriculum within the stipulated period of respective semester. During the year, under the banner of Science Forum, college has conducted good number of special lectures through eminent academicians, professionals, etc. This has impacted and motivated students to learn and inculcate knowledge based on the course curriculum. During the year, bridge course is conducted for freshers. Referring to our institution, bridge course is conducted for non-commerce students, ITI, etc., who have not studied commerce at the XII standard and have sought admission for B.Com., for such students, bridge course is introduced, in which, students have to study additional papers Additional Commerce and Additional Accountancy. During the current academic period, effective from April upto December, 2020 due to the COVID circumstances, every teacher has updated themselves with advanced mode of teaching and delivered lectures using virtual mode. College also conducted webinars during these

Our college is affiliated to Rani Channamma University, Belagavi and it follow the evaluation structure as recommended by university and hence has limited scope for modifying the evaluation system. At present in semester system for all levels, the weightage for external evaluation is 80 and for internal evaluation is 20. The modalities followed for awarding internal marks is as follows First Test is for 20 marks conducted after 8 weeks of commencement of the semester and after evaluation marks scored by a candidate is reduced to 4 marks. Similarly, Second Test for 80 marks is conducted after 12 weeks of commencement of semester and after evaluation marks scored by candidate is reduced to 10 marks. Home Assignment is given for 3 marks and 3 marks are allotted for candidate is behavior and attendance. Every year college constitutes examination committee for effective implementation of all activities related to internal examination. The question paper for internal test is prepared by giving an appropriate weightage to the units of syllabus of the course. Candidate's internal examination is conducted with utmost transparency. During the orientation programme at the beginning of the odd semester, every student is well informed about the code of conduct, rules and regulations of competent authorities, facilities and provisions of the college, etc. To keep track of student activeness in the college, his / her attendance to the theory and practical classes are mandatory and keep atleast 75 of the total number of classes within the semester. Student who does not maintain minimum attendance, shortage of attendance of such students are informed to their parents every month. College has Disciplinary Committee. Committee regularly monitor the behaviour of students during the class hours. In the cases of absence of any classes, students are instructed to spend their valuable time in Library or indoor games. College has Examination Committee which keeps the track of absentees during internal tests, active participation of extension activities. Separate tests are conducted for those who remained absent in internal tests and participation in any NSS special camps. Students abilities are measured through their performance in internal tests, semester end result, active involvement in cocurricular activities, submission of assignments, achievement in extra curricular activities i.e., sports and cultural. College has Mentorship mechanism as a mark of CIE. The learning level of the students is measured based on performance in previous qualifying examinations. Based on this, college conducts a Remedial classes for Slow learners and given ample scope for advanced learners in promoting them to participate at various competitions outside the campus and also augmented sufficient learning resources at the central library.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The College prepares an academic calendar with action plan which guides for conducting academic and nonacademic activities. Internal Examination Schedules are prepared for every semester mentioning the exact dates for conducting internal tests. Examination committee prepares the Schedules of examination for the entire year, conducts regular meetings to review and modify activities if necessary. The first Internal Test is in the 8th week and the Second Internal Test in the 12th week of the semester are planned. The examination committee is strictly adhered to the academic calendar and all the other related matters of exams are carried out as per the plans. Students have an easy access to teachers to get redressed for their grievances, if any, about internal assessment (IA) marks and grades of home assignments. The final IA marks statement for each semester is displayed on the notice board. Students are supported by the examination committee, if any grievances with regard to the exams. They can apply for the recounting of marks and for the photocopies of answer booklets. They can also apply for revaluation of their answer booklet, if they are dissatisfied with marks awarded. They can apply for challenge evaluation. They can apply for corrections in marks statement

## 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

#### 4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurredon<br>maintenance of physical<br>facilites |
|--|--|--|--|
| 12                                     | 11.4   | 2                                      | 2.35   |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

To impart the quality education, the college authority has created sufficient infrastructure necessary to facilitate effective teaching and learning processes. The policy of the College is to well maintain the existing infrastructure and add new amenities to its existing infrastructure by providing the necessary equipment. Infrastructure: Our esteemed Management Civil Section has appointed a qualified Site Engineer under whose supervision the renovation and repairs are carried out satisfactorily to meet the best of standards from time to time. Management seeks Principal and IQAC suggestions with regard to maintenance of infrastructural facilities which are already existent. The Site Engineer is also entrusted to look after the maintenance of ladies' hostel. For the maintenance of the infrastructural facilities, i.e., Building, hostel, canteen, etc., our esteemed Management provide financial assistance. Maintenance of Class rooms, Seminar Hall, Laboratories, Badminton Hall, etc: For the regular maintenance of the class rooms, laboratories, etc., Principal has entrusted the responsibilities to menial staff. Before the commencement of the classes, menial staff keep the class rooms with neat and hygienic so that learning process would carry on with holistic atmosphere. Office staff do monitor once in a week about the cleanliness of every class rooms. Even during vacation also menial staff is instructed to clean every class rooms of the college. Garden: Our campus is surrounded with greenery. For the maintenance of Botanical and herbal garden and also college is surrounded with greenery atmosphere. College has appointed a separate staff, who takes care of watering, nurturing, etc. The financial resources are taken care by the college itself. Laboratories: College has 10 laboratories i.e., Physics (3) , Chemistry(3), Botany (1), Zoology (1) and Computer (2). For the maintenance of science laboratories, college has a separate attenders, who are responsible to keep every equipment intact and cleanliness of laboratories. Before the commencement of academic session, Department Head is instructed to provide the indent to the Principal. Based on the overall requirement of the equipment demanded by respective Department Heads, budgetary allocation is made based on the available financial resources. Principal gets Management approval and sanction of additional financial resources if required from the Management. Computers, Smartboards, CCTV: Computer laboratories are maintained by computer faculty alone. College has a qualified and competent computer faculty who regularly monitors the overall performance of every computers, printers, scanners, UPS, etc. Computer faculty has to give brief report of the working conditions of computers and also indent any other peripherals required to be added during the first week of the commencement of academic session. College has 4 smart boards. Computer faculty has shouldered the responsibility to maintain these Smartboards and also working conditions of surveillance cameras mounted in the campus and class rooms. Furniture Maintenance: For the maintenance of benches in the class rooms, administrative staff regularly checks the conditions of benches. After getting overall observations, Administrative staff hire carpenter to repair the benches which are not in

suitable conditions. Financial responsibilities are taken care by institution. The policy is published on college website.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The College has "Student Parliament". The members of this parliament are selected on the basis of their merit in previous exams. Student representatives are regularly involved in various meetings to discuss about curricular, cocurricular and extra curricular activities. Major activities of the student Parliament are: • to list the suggestions of students and convey them to the College authorities, • to maintain healthy and creative atmosphere in the College campus and to take active part in conducting College activities like seminars, sports meets and annual day. • The College has various academic and administrative bodies which comprise students as member representatives. Student parliament has representatives by each class and is headed by the general secretary. • The IQAC includes two student representatives. The activities of the parliament are funded by the College. Three student representatives are nominated for IQAC every year: for 2015-2016. • Student secretaries are nominated for Athletics, Indian Games, Indoor Games, Kannada Literary Association, Literary Association, Arts Forum. Planning Forum, Debate Union, Science Association, Commerce Association, Women Empowerment Cell, Environment Forum and College Miscellany. Apart from this, each class has a Class Representative to interact with the class and the college authority. • Student representative also included in Discipline Committee, Sports, IQAC, Library Committee. On the basis of highest score in the IV semester is chosen as a General Secretary and higher achievement in sports events are selected as Sports Secretary. Higher scorer in the previous qualified examination is selected as a Class Representatives.

## 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

236

5.4.3 - Alumni contribution during the year (in Rupees) :

0

5.4.4 - Meetings/activities organized by Alumni Association :

College has active informal Alumni Association. Association regularly involved

in overall progression of the Institution. Some of the Alumnus who are
professionals, entrepreneurs, financial advisers, lawyers, etc., have delivered
 special lectures. During the year, some the initiations of the Alumni
Associations are (1) Resolved to register Association. (2) Planned to conduct
 Sports events during the year 2019-20 academic period. (3) Delivered special
 lectures on Career Prospects. (4) Provided financial support to needy students
 to pay the fees. (5) During the year contributed 250 chairs to the auditorium.

## **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institution adheres to decentralization, democratic and participative approaches in its activities. The Chairman of the institute and the governing body take the lead in the governance and management of the institution. The committee members and the Principal support the day today activities of the college administration. The management inspire the staff members by their personal interactions through the governing body meetings and motivate them to bring out their best. They encourage and sanction funds for the different activities of the college. De-centralized administrative system with the intention of providing the best to the student community is in practice. Development plans are discussed by the Principal and concerned committee members making students also as a part of it. Meetings of the college related to the smooth and efficient functioning of the institutional activities are chaired by the Principal along with the related committee heads and members. The authorities are given to the respective Heads of the committees for the completion of the given works. The Head of the Dept. entertains the authority over the purchase of requirements of the departments. In case of administrative work Office Superintendent is the prime authority under whom the non-teaching staff function. The students also take active part in the governance of the college through Student Union consisting of class representatives who are made the secretaries for the different committees under student union. Student body under the guidance of faculty is given a chance to take lead in the organization of various programs, fests, sports and many more activities. Alumni and parents are also made the part of governance using their feedbacks. This results in the efficient and proper execution of the work which also promotes cooperation between Management, Parents, Alumni, Staff and Students. Necessary scope and financial provisions are earmarked by the Principal for the conduct of various cocurricular and extra curricular activities. Every department is empowered to enrich the course curriculum by way of engaging special lectures, field work, surveys, etc. During the period of pandemic, college has provided virtual training on the usage of online process of teaching. Accordingly, teaching been done through virtual mode by respective

teachers.

| 6.1.2 – Does the institution have a | Management Information S | System (MIS)? |
|-------------------------------------|--------------------------|---------------|
|                                     |                          |               |

#### Partial

| 6.2.1 – Quality improvement str | ategies adopted b | y the institution for each of the | he following (with in 10 | 0 words each): |
|---------------------------------|-------------------|-----------------------------------|--------------------------|----------------|
|                                 |                   |                                   |                          |                |

| Strategy Type         | Details   |
|-----------------------|---|
| Admission of Students | Admission committee monitors the<br>admission process and is regulated by<br>the State Government rules and<br>regulation to ensure inclusive |

|   | accessibility to all sections of the<br>society. On the basis of marks obtained<br>at qualifying examinations i.e., XII or<br>equivalent, the applicants will get<br>admission. Admission process is<br>transparent and adhered with the<br>guidelines to meet the needs of the<br>student's society and providing an<br>opportunity for students from Socio-<br>economically backward communities. Ours<br>is an inclusive admission policy with<br>access to all sections of the society.<br>Fees are collected only through bank<br>challans.   |
|---|--|
| Industry Interaction / Collaboration                          | Surrounding industries always extend<br>their helping hand to organize field<br>and industrial visits. Our College has<br>established MOUs, collaborations and<br>linkages with industries, banks,<br>Teachers visit industries, banks and<br>others along with their students for<br>carrying their research and gain<br>practical knowledge about the working.   |
| Human Resource Management                                     | Work load generated due to<br>superannuation of either teaching or<br>administrative staff or a greater<br>number of student's flow, our<br>management appoints the qualified,<br>efficient persons to the required posts<br>through, wanted in reputed daily<br>newspapers by interview basis, in<br>presence samstha chairman, board of<br>directors, governing council chairman,<br>its members and head of the institute .<br>The persons who are appointed to these<br>generated / required posts, management<br>will pay the salary with yearly<br>increment facility.   |
| Library, ICT and Physical<br>Infrastructure / Instrumentation | Provision of spacious reading hall in<br>the library with Digital Library and<br>INFLIB Net facility. The Institution<br>has maintained a pollution free campus,<br>installation of CCTV as safety and<br>discipline measure in the campus,<br>installation of water purifiers for<br>providing pure and clean drinking<br>water, free Internet access in the<br>campus to students and teachers, funds<br>for development of new infrastructure<br>and renovation of existing<br>infrastructure. The quality of<br>infrastructure has a significant impact<br>on students' attendance, reduced<br>dropouts, change the behaviour and<br>attitude of the students. Provision of<br>spacious reading hall in the library<br>with Digital Library and INFLIB Net |

|  |                            | facility. The Institution has  |
|--|----------------------------|--|
|  |                            | <pre>maintained a pollution free campus,<br/>installation of CCTV as safety and<br/>discipline measure in the campus,<br/>installation of water purifiers for<br/>providing pure and clean drinking<br/>water, free Internet access in the<br/>campus to students and teachers, funds<br/>for development of new infrastructure<br/>and renovation of existing<br/>infrastructure. The quality of<br/>infrastructure has a significant impact<br/>on students' attendance and reduced<br/>dropouts and change the behaviour and<br/>attitude of the students.</pre>  |
|  | Research and Development   | Institution encourages teachers to<br>higher education leading to M.Phil.,<br>and Ph.D. Submit proposals for Minor<br>and Major Research projects to get<br>financial assistance sanctioned. Free<br>and unlimited internet access for both<br>staff and students are available. Guest<br>lectures on research methodology,<br>orientation is given to students and<br>are encouraged to participate actively<br>whenever any research activity is taken<br>up. Students are encouraged to<br>undertake micro projects and research<br>activities on various issues having<br>social and academic relevance.   |
|  | Examination and Evaluation | College follows examination and<br>evaluation reforms mandated by the<br>parent University. College appoints a<br>senior faculty member as the convener<br>of the Exam Committee to conduct IA<br>examinations. All the classrooms are<br>equipped with CCTV to ensure<br>transparency. The Committee conducts<br>the 1st and the 2nd IA tests during 8th<br>and 12th weeks of each semester.<br>Teachers set IA question papers and<br>hand over to the committee to ensure<br>transparency. The internal test marks<br>are displayed on the notice board and<br>test papers are shown to students.<br>University squad visits the College<br>during semester examinations. |
|  | Teaching and Learning      | For the effective delivery of course<br>curriculum, college has augmented<br>infrastructural facilities and learning<br>resources at the central library.<br>Procured academic journals. IQAC has<br>made the teaching and learning process<br>student centric and transformed the<br>student community. Teaching with case<br>studies, focus on teaching with digital<br>aids, learning with guided assignments,  |

|                        | seminars, Group discussions and<br>debates, student seminars make teaching<br>more interesting and activity based,<br>teachers are encouraged to organize<br>study tours, field visits and<br>industrial visits.   |
|------------------------|--|
| Curriculum Development | College has least scope in the<br>development of the course curriculum.<br>But, college has given ample scope to<br>every teachers to take part in<br>development of course curriculum for<br>certificate and diploma certificates.<br>The curriculum that we are mandated to<br>deliver is the one provided by our<br>affiliating University. Teachers are<br>deputed to participate in orientation<br>courses, refresher courses, seminars,<br>conferences, workshops, etc., to enable<br>them to keep themselves abreast with<br>latest developments in the respective<br>fields of their specializations.<br>Curriculum designing and restructuring<br>of courses is the prerogative of the<br>affiliating University. However, the<br>faculties of our College make<br>significant contributions in the<br>curriculum design and attend workshops<br>on designing of syllabi. |

| 6.2.2 – Implementation of e-governance in areas of operations: |  |

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Plantation of CO2 reducing Plants. By planting trees, we can have little share in reducing CO2 in the environment. It helps to stop climate change by reducing carbon dioxide from the air, strong carbon in the trees, trees and releasing oxygen into the atmosphere. During the year 30 saplings are planted in the campus. 2. Green lush gardens in the campus. Man is part of nature, nature is the teacher, guide and philosopher. Our college has surrounded with beautiful garden at the entrance of the main building. Menial staff of the college duly take care of the maintains of the garden. In addition to this, the Department of Botany is maintaining herbal and Botanical garden. 3. Awareness on drug abuse and consequence of Tobacco Chewing Our college is regularly conducting awareness programs on drug addiction and its hazardous effect in life. Life is very precious. God gives opportunity to lead happy and prosperous life. Entire students whose ever studies in the college educated the consequences of addiction of drugs and tobacco chewing. College has strict instruction and code of conduct for students. There is no report on the number of drug abuses cases found in the campus. A committee has been set-up, they take the necessary measure to curb the entry of drugs in the campus. 4.Waste Management System To reduce waste at institute, students and staff are educated on proper waste management practices through lectures, advertisement on notice boards, displaying slogan boards in the campus. Waste is collected on a daily basis from various sources and separated as dry and wet waste. Colour coded

dustbins are used for different types of waste. Green for wet, blue for solid waste. Daily garbage is collected by housekeeping personnel and handed over to authorized personnel. 5.Eco- friendly steps ? Using LED lights bulbs ? Reduce, reuse, recycle ? Water - usage control ? Buy recycle eco- products ? Wash cups and plate ? Use of public transport ? Published tobacco free and silent zone at the prominent places of the campus.

#### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

Best Practice-1 LEARNING THROUGH PROJECTS AND CASE STUDIES 2. Goal: Our college has various good practices. Among them, during this year, we have considered Learning through Projects and Case Studies as Best Practice for the year. It shows our motto and ethical responsibility toward creating the sustainable environmental in the Society. To enrich the course curriculum and promote students to inculcate research culture, some of the department resolved to take additional initiation to guide students for the preparation of micro projects, surveys by way of collection of data both on primary and secondary mode, preparation of questionnaires, findings, etc. These help them to encounter with the real practical knowledge along with academic studies. It boosts their creativity and ability to have some practical experience. It engages the students in higher order of thinking and investigation. The teachers play an essential role in making the students learning to a higher level. 3. The Context: Referring to the course curriculum, most of the advanced learners demanded and suggested to facilitate and guide them for practical knowledge i.e., Practical Accountancy, Costing and Income Tax, GST, social surveys, mode of collection of data and its interpretation, etc., All these enforced the HoDs to engage students in surveys, field works, experiential learnings, and thereby preparing Micro Projects, Assignments, Reports, etc. 4. The Practice: It involves projects and case studies like visiting to rock caves, Projects on museum , study tour to Hampi and its historical importance, tour management, Visiting to Hyper markets, Circulation of Daily Newspapers in the locality of Badami, Projects on vegetable market, Hospital accounts managements etc,. are guided by the respective faculty members. College has provided necessary provisions like internet, computers, printers, stationery for the purpose of printing micro project prepared by students. Constraints or limitation: The context for projects and case studies are feasible in our home town where students can easily access to their assigned works. 5. Evidence of Success: Students can inculcate the marketing skills, Investments, Profit motto, how to convert loss into profit, launching new goods to the markets etc. And also, students can get the local historical knowledge through the projects. Profit: Apart from class study the students have acquired a knowledge of banking, marketing sectors, Historical importance of the monuments and epigraphy studies. 6. Problems: Initially the students were not encouraged by the local businessmen Nobody was ready to reveal their marketing skills and secrets. After consolation by knowing that these are academic purpose, they agreed to share the information. There are constrains to get the permission from Archaeological Survey of India to view the monuments and museum. 7. Notes (optional): In our institution, students experience the syllabus with practical knowledge. Each student before completing the graduation will participate in Projects and case studies. Thus, our students stand better educated by unique practice. Best Practice 1 1. Title of the Practice: LEARNING THROUGH PROJECTS AND CASE STUDIES 2. Goal: Our college has various good practices. Among them, during this year, we have considered Learning through Projects and Case Studies as Best Practice for the year. It shows our motto and ethical responsibility toward creating the sustainable environmental in the Society. Our students had come across with such projects and case studies. These help them to encounter with the real practical knowledge along with academic studies. It boosts their

creativity and ability to have some practical experience. It engages the students in higher order of thinking and investigation. The teachers play an essential role in making the students learning to a higher level. 3. The Context: It involves projects and case studies like visiting to rock caves, Projects on museum , study tour to Hampi and its historical importance, tour management, Visiting to Hyper markets, Circulation of Daily Newspapers in our city, Projects on charted accountancy course and its firms, Projects on vegetable market, Hospital accounts managements. 4. The Practice: For each semester, the faculty of the concerned department. For every semester, the students will be assigned projects on the different context. With intimation to the head of the institutions, permissions will be sought from the concerned authorities with a request to assist for the successful event. We are proud to organize regular projects. Constraints or limitation: The context for projects and case studies are feasible in our home town where students can easily access to their assigned works. 5. Evidence of Success: Students can inculcate the marketing skills, Investments, Profit motto, how to convert loss into profit, launching new goods to the markets etc. And also, students can get the local historical knowledge through the projects. Profit: Apart from class study the students have acquired a knowledge of banking, marketing sectors, Historical importance of the monuments and epigraphy studies. 6. Problems: Initially the students were not encouraged by the local businessmen Nobody was ready to reveal their marketing skills and secrets. After consolation by knowing that these are academic purpose, they agreed to share the information. There are constrains to get the permission from Archeological Survey of India to view the monuments and museum. 7. Notes (optional): In our institution, students experience the syllabus with practical knowledge. Each student before completing the graduation will participate in Projects and case studies. Thus, our students stand better educated by unique practice. Practice 2 1. Title of the Practice: SPORTS AND CULTURAL ACTIVITIES 2. Goal: Sports and cultural activities are inevitable part of our co-curriculum. We encourage our students to participate in co-curricular and extra curricular activities. As proverb says "A sound mind in sound body". And also fulfill the motto of FIT INDIA as initiated by the Government of India. And our students are also motivated to participate in cultural activities 3. The Context: Referring to the current trend and advancement of technologies, majority of the students are not sparing their time in the sports ground for indoor and outdoor games. In addition to the intellectual abilities of the students, it is also equally prominence to have good gesture, personality and health consciousness. IQAC and the Physical Education Director identified most of the students are more attached to Mobile Technology and are negligent to have physical activities. This has prompted Physical Education Director to promote every student to spend atleast some hours in the sports activities either indoor or outdoor games. This has initiated only with the holistic approach to equip every student to physically fit and academically competent and also based on students abilities and talents in cultural activities, decided to facilitated necessary provisions and facilities to nurture hidden talents. 4. The Practice: It's our responsibility to encourage Desi games like Kabaddi, Kho-Kho, and national games. College Cultural and Sports Committee is formed to look after the student's participation, Selection, Regular training to the selected students by providing the required necessities After their fully trained, they are allowed to participate in Cultural and Sports events at Inter College, Zonal and University levels. Accordingly, after receiving circular, we depute the students to participate in the events. Constraints or limitations: The students were very enthusiastic to participate in sports and cultural activities. 5. Evidence of Success: With great effort and hard work of our Physical Director and good number of students participated in various competitions and most of them got good place. Two students were able to bag the Gold and Bronze Medal at National Level held at Nanded, Bandra, Maharashtra, the same students had

participated in 3rd TAFTYGAS International Youth Games 2019 held at Pokhara, Nepal won the Bronze Medal in International Kabaddi. Adding this our students has participated in Avishkar Cultural Event Organized by the Rathi and Bhandari college, Guledagudda, they have participated on Debate, Mono acting, Skit, Quiz Competition. In mono acting our student got 3rd Prize, 2nd Prize in Quiz. And also, in music competition (Instrumental) our Student got State level 2nd Prize in Sitar performance. 6. Problems Encountered and Resources Required: NIL 7. Notes (optional): This unique practice develops overall personality developments of the students. The creativity, Knowledge and passion are encouraged by the Samstha.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

In the year 1955, a few elites from Badami with a visionary zeal and spirit came together with a common purpose of providing higher education to the deprived and needy, young one's of the educationally backward area with firm belief that education is the only ultimate for shaping good citizen. Vision of our Institution is to mould and empower students in the pursuit of knowledge, values and social responsibilities and help them to achieve excellence in various fields. Out Institution has emerged with the aim to focus on the rural students of this region. The main motto is that the rural students would not deprive from the higher education, on keeping this in the mind our college is inspiring the students in the pursuit of knowledge, values and preparing them for local to global challenge. The college has completed its 38 years of its existence by promoting excellence in the field of education. Our College is distinctive comparing to neighboring colleges because our college has highest passing percentage, dropouts are less, interdisciplinary method of teaching and learning process, full-fledged faculty with experience, automation of Library and e- library sources, library is connected with Wi-Fi for student's study purpose, separate computers for labs and library. Science laboratories have computer facilities and are fully equipped. The high ratio of female students enrolled and a number of female staff recruited is a manifestation that women empowerment which is the need of the hour is prevalent. and attractive infrastructure and campus. Scholarship and fee reimbursement facility is provided to the needy students by social welfare department of Karnataka. The College is able to position itself as a reputed educational entity in fields ranging from academics, sports activities, cultural programmes by providing access to quality education for all, with a special emphasis on under privileged students enrolling from geographically backward students. Our Institution has taken the initiative to organise events on Skill Development Program, Projects, Entrepreneurship development, Ethical and Human value development. Besides, academics our students have brought laurels to the Institution by excelling in various sports and cultural programmes both at state and Inter Collegiate level. With great effort and hard work of our Physical Director and students, two students were able to bag the Gold and Bronze Medal at National Level held at Nanded, Bandra, Maharashtra, the same students had participated in 3rd TAFTYGAS International Youth Games 2019 held at Pokhara, Nepal won the Bronze Medal in International Kabaddi. Adding this our students has participated in Avishkar Cultural Event Organized by the Rathi and Bhandari college, Guledagudda, they have participated on Debate, Mono acting, Skit, Quiz Competition. In mono acting our student got 3rd Prize, 2nd Prize in Quiz. And also, in music competition (Instrumental) our Student got

State level 2nd Prize in Sitar performance. Community service through N.S.S. and various Cells and Clubs. In our college students are provided with are provided with career counselling for employment and higher education. Our motto is to enrich knowledge, research attitude and skills of graduates
