## Introduction

The Department has a modern Language Laboratory with state-of-the-art audio-visual equipment to aid in imparting language skills. The Laboratory is effectively utilized by students for various self-enhancement and soft skill development activities. Laboratory proves beneficial for those students who are poor in use of English language. Students from rural areas who are generally weak in English can have sufficient ear training in the language lab. It aims at confidence-building among students for interactions and presentations in English. The basic purpose of the lab is to provide students a platform to enhance English language skills, communication skills and to practice soft skills.

### Objectives

- 1) To facilitate computer-aided multi-media instruction enabling individualized and independent language Learning
- 2) To sensitize the students to the nuances of English speech sounds, word accent, intonation and rhythm
- 3) To bring about a consistent accent and intelligibility in their pronunciation of English by providing an opportunity for practice in speaking
- 4) To improve the fluency in spoken English and neutralize mother tongue influence
- 5) To train students to use language appropriately for interviews, group discussion and public speaking
